## On Broadway

### At The Longacre Theatre

Based on the critically acclaimed play that inspired the now classic film, this streetwise musical will take you to the stoops of the Bronx in the 1960s where a young man is caught between the father he loves and the mob boss he'd love to be. "A combination of JERSEY BOYS and WEST SIDE STORY" the score features doo-wop, harmonies, early rock and Sinatra-style ballads by Alan Menken and is directed by Robert DeNiro.
