Monday, Sept. 23

This afternoon we arrive at The Boston Tea Party Museum. Immerse yourselves in the history and events of The Boston Tea Party. Take part in the “Destruction of the Tea” aboard one of the Boston Tea Party Ships. Throw tea into the very same body of water where the Boston Tea Party took place over 240 years ago. Experience life at sea aboard an 18th century merchant vessel as you take the helm, or go below to explore the crew’s quarters, cargo hold & the Captain’s Cabin. From here we visit the Museum and watch “Let it Begin Here”, the multi-sensory film at the Minuteman Theater. The museum has historical interpreters, interactive exhibits, full-scale restored 18th century sailing vessels and historic artifacts. We spend one night in the Boston area with dinner included.
